T.O.P is no longer an organic certifying body, having merged with Australian Certified Organic. However it remains as an organization to promote the Tasmanian organic industry and to continue the Tasmanian brand through continued use of the TOP logo. Tasmanian growers and processors who are certified to the NS by ACO may continue to use the TOP logo alongside the ACO Bud for an annual membership fee of \$50 (GST incl.) Membership is also open to organizations and individuals wishing to promote organics in Tasmania.
